SUMMARY

I am a multidisciplinary and experienced designer. Skilled in Adobe suite, Sketchapp, Figma, Invision and Zeplin. Good knowledge of HTML, CSS and Wordpress.

Proficient in video edition with After Effects and Premiere. Also qualified in UX, UI and Design Thinking method and information architecture.

Interested in game and app design. With good communication skills, proactive and autonomous.

CAREER

2018 - 2019

v|lex

Graphic Designer and UX

Web an app design, Wordpress, landing pages, animated GIFs, videos, banners and newsletters.

As the only person in charge of the design department i had to make the design of all countries where the company is located.

2016 - 2018

Barcelona Virtual

Graphic Designer & Art Director

Web design, advertising campaigns, landing pages, animated GIFs, videos, banners and newsletters.

I have been part of the art department, working closely with the development team.

I have learned to adjust timings in a fast-paced environment.

2014 - 2016

Fábrica de Flyers

Offline Graphic Designer

Branding, magazines, flyers, posters, packaging, large formats and other printables.

As a member of a two person studio I had the opportunity of working directly with the client.

2014 - Present

Work as a freelance

Graphic Designer

I have worked for Galanta, a marketing company, doing product photography of merchandising for brands like Donuts and Danone.

As a freelance I have collaborated with a sports clothing workshop creating the branding and designing players apparel for sublimation.

Also, I made the graphic design of the temporary exhibition *Obrint Portes* for the University of Barcelona.
